RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Credit Union Insured Money Market (CUIMMA) accounts, the dividend rate and annual percentage yield may change weekly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. The Credit Union Insured Money Market (CUIMMA) accounts are tiered rate accounts. If your daily balance is from \$1,000.00 to \$9,999.99, the first dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply. If your daily balance is from \$10,000.00 to \$24,999.99, the second dividend rate and annual percentage yield listed for this account will apply. If your daily balance is from \$25,000.00 to \$99,999.99, the third dividend rate and annual percentage yield listed for this account will apply. If your daily balance is from \$100,000.00 to \$250,000.00, the fourth dividend rate and annual percentage yield listed for this account will apply. If your daily balance is \$250,000.01 or greater, the fifth dividend rate and annual percentage yield listed for this account will apply. Once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. **ADDITIONAL INFORMATION FOR 180 DAY PROMOTIONAL RATE** --- The 180 day promotional offer will be applied during the first 180 days the share is open. The dividend rate and annual percentage yield during the 180 day promotional period vary based on the daily balance that is set forth in the Rate Schedule. **If the balance drops below the minimum balance to earn the promotional rate, the promotional offer is voided and standard dividend rates and annual percentage yields will apply.** The 180 day promotional rate is a tiered rate offer in that the promotional rate will be applied to balances up to \$350,000.00 only. If your daily balance is from \$10,000.00 to \$350,000.00, the promotional dividend rate and annual percentage yield shown above will apply. If your daily balance is from \$350,000.01 or greater, the standard fifth tier dividend rate and annual percentage yield listed for this account will apply. Once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account unless the promotional offer is voided. **The 180 day promotional offer is available for new CUIMMA's opened with new money to the credit union. Limit one promotional offer per household. This offer is available for a limited time only, is non-transferable and may change at any time.**

NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

ACCURAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Prime Share Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Credit Union Insured Money Market (CUIMMA) accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the dividend period, you will not earn the stated annual percentage yield. For accounts using the daily balance method as stated in the Rate Schedule, dividends are calculated by applying a daily periodic rate to the principal in the account each day.

ACCOUNT LIMITATIONS — For Credit Union Insured Money Market (CUIMMA) accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order; transactions resulting in a positing to our loans are exempt from this total. If you exceed these limitations, your account may be subject to a fee or be closed.

FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information. For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below. Par Value of One Share \$5.00 Number of Shares Required is 1 (one). The rates and fees appearing with this Schedule are accurate as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate and fee information on your accounts, please call the Credit Union.
