### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION —** The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Prime Share Savings, Christmas Share, Required Escrow, Vacation Share, Secondary Share, Accumulative Traditional IRA, and Accumulative Roth IRA accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. For Credit Union Insured Money Market (CUIMMA) accounts, the dividend rate and annual percentage yield may change weekly as determined by the Credit Union's Board of Directors. For Dividend Share Draft Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Credit Union Insured Money Market (CUIMMA) and Dividend Share Draft Checking accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Credit Union Insured Money Market (CUIMMA) accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your

account. For Dividend Share Draft Checking accounts, the dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply to the entire balance in your account if your average daily balance is from \$2,500.00 to \$20,000.00. You will not earn dividends on any portion of your balance that exceeds \$20,000.00.

**2. NATURE OF DIVIDENDS —** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. DIVIDEND COMPOUNDING AND CREDITING —** The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

**4. ACCRUAL OF DIVIDENDS —** For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Prime Share Savings, Credit Union Insured Money Market (CUIMMA), Christmas Share, Required Escrow, Vacation Share, Secondary Share, Accumulative Traditional IRA, Accumulative Roth IRA, and Dividend Share Draft Checking accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Share accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

**5. BALANCE INFORMATION —** To open any account, you must deposit or already have on deposit the minimum required share(s) in a Prime Share Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. \*For Dividend Share Draft Checking accounts, you must meet the following minimum requirements to avoid a service fee for the dividend period: a) maintain the minimum average daily balance as disclosed in the Rate Schedule; and b) make ACH direct deposits totaling \$1,500.00 or more to your account or make 15 Visa Debit Card signature transactions that post and clear your account. If you do not meet these minimum requirements, you will be charged a fee as disclosed in the Fee Schedule. \*For Rewards Share Draft Checking accounts, you must meet the following minimum requirements to avoid a service fee for the dividend period: a) maintain the minimum average daily balance as disclosed in the Rate Schedule; and b) make ACH direct deposits totaling \$1,000.00 or more to your account or make 15 Visa Debit Card signature transactions that post and clear your account. If you do not meet these minimum requirements, you will be charged a fee as disclosed in the Fee Schedule. For Prime Share Savings and Credit Union Insured Money Market (CUIMMA) accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the

Rate Schedule. For Dividend Share Draft Checking accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

**6. ACCOUNT LIMITATIONS** — For Christmas Share accounts, the entire balance will be transferred to another account of yours on the first Monday following September 30 that occurs at least 52 full weeks from the previous payout/maturity date and the account will remain open. If you withdraw from your Christmas Share account, you will be charged a fee as disclosed in the Fee Schedule. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Required Escrow accounts, you may not make transfers or withdrawals from your account; we will make payments for taxes and insurance on your behalf. For E-Plus Share Draft Checking, Dividend Share Draft Checking, and Rewards Share Draft Checking accounts, you will be charged a monthly service fee unless the required number of Visa Debit Card signature transactions post and clear your account during a calendar month or you meet the minimum monthly ACH direct deposit requirements as disclosed in the fee schedule. For E-Plus Share Draft Checking, E-Plus Share Draft Checking and Rewards Share Draft Checking account holders must receive their periodic statement by electronic e-Statement delivery only. For Prime Share Savings, Credit Union Insured Money Market (CUIMMA), Vacation Share, Secondary Share, Accumulative Traditional IRA, Accumulative Roth IRA, and Essentials

Share Draft Checking accounts, no account limitations apply.
